Speech Topic / Theme : Storytelling

Objective

The goal of storytelling is to share a story that expresses a thought, feeling, or message in a creative and engaging way.You will tell and act out your story, bringing it to life through your words, voice, and actions.
A great story captures attention, sparks imagination, and makes the audience feel something special.

Preparation & Presentation Guidelines

- Choose any story — a classic tale, a story you remember, or one you create yourself.
- Give your story a creative title that captures the audience's curiosity.
- Act out your story! Use gestures, facial expressions, and movement to make it fun and lively.
- Use your voice — change your tone, pace, and volume to bring your characters and emotions to life.
- Use costumes or props if they help make your story more expressive and colorful.
- Have fun! Enjoy the moment and make your audience smile, laugh, or imagine along with you.

Time Limit

Time Requirement: 1 to 3 minutes
(must speak for at least 1 minute to qualify; disqualification at 3 minutes and 31 seconds).

Helpful Tips for Success

- Practice your story several times so you remember it well.
- Use the whole stage — move around and face your audience.
- Speak clearly and slowly so everyone can understand.
- Smile, relax, and share your story with excitement!

Remember:

Every story you tell is a gift — make it special, make it yours, and have fun sharing your imagination!
